

## Fundraising Newsletter - April 2009

Dear All

Well, Spring has sprung and the first game is upon us! We are as you know trying to overhaul radically the Fund Raising and Social elements of ABCC. Following a hugely enjoyable and successful quiz towards the end of February, I would like to tell you about other events planned for this year.

I really do need ideas, help and feedback. You can email me on [MikeBains2006@googlemail.com](mailto:MikeBains2006@googlemail.com) or call or text me on 07739 355574.

Thus far, events we have planned for this year are as follows...

### **Saturday May 9 SOCIAL NIGHT.**

As both teams are playing locally we thought it would be great to meet up at the Nag's Head for a drink or two and then head into town for, well, more drinks and probably a curry. Partners welcome. More details to follow in the next week or so. Please tell your respective captain if you can / cannot come so we can gauge numbers.

### **End of June RACE NIGHT**

Always massive fun and really good for fundraising. Probably the same venue as the Quiz unless response is astonishing. It will be on a Friday towards end of June, depending on Bilborough Village Hall availability. (No, not Ian...!) Cost will be £5 per head which will include a fish supper or similar. Important to get tickets sold and races sponsored. Information to follow in the next few weeks. Please support this event.

### **End of Season QUIZ NIGHT**

Rather than be too ambitious too soon, we shall probably use the same venue but try to get a few more teams. Date to be confirmed but it will be end of September. We shall get cracking on it before too long.

### **PRESENTATION DINNER**

I open up the dinner to more partners and ensure nearly all players attend. To this end I am going to make it very slightly more formal – a sit down meal, smart casual dress, more trophies. We aim to get 50-60 people to come along. Tickets will be printed and you will be able to pay for them as the season goes along to ease the financial burden. Discount will be given for those bringing partners.

Anyone with good ideas for a venue, please email me.

### **WINTER**

More info to follow during the season!

Please, please, please give your support. It will benefit the club and the Members.

**Mike Bains – Social and Fund Raising Secretary.**
